

# VOICES

FOR  THE

## *Unborn*

### **Praying:**

- Eyes will be opened to the truth of abortion
- Decisions will be made for LIFE and against abortion
- Fewer people will be willing to man abortion clinics
- Unmarried people will practice abstinence
- For more pro-LIFE workers
- Pro-LIFE workers will be encouraged and effective in their mission
- People in all walks of life will truly understand the Holocaust of abortion and stand against it
- Our elected officials will be successful in the introduction and passage of pro-LIFE legislation
- Abortionists and their workers will find the saving grace of Jesus Christ
- Women with unexpected pregnancies, that they would consider adoption instead of abortion
- Women who have had abortions will find the resources and support they need to get emotional healing

*By my signature, I commit to be a voice for the unborn through regular prayer and thanksgiving to the Lord.*
